**Re: Interest in setting up AA meetings in your Community**

Dear Chief & Council,

Thank you for having a representative from your community recently attend an educational information (via video-conference) regarding Alcoholic Anonymous and showing interest in setting up a group within your community by telemedicine.

Don A and Dave M. are the contacts from Alcoholic Anonymous with Remote Communities who will be leading this endeavor.

KO eHealth Educational Department is working closely with AA to set up this group.

**AA is requesting your written permission in order to proceed.** By signing below, you are giving permission to AA working in partnership with KO eHealth to set up AA in your community. Please contact me as per the information below if you have any questions.

**The signed letter can be faxed to 1-807-768-4817.**
