

Statement from Area 85 Chairman

Sent March 16, 2020

Hello everyone, hope your all doing well. The Area 85 Executive held an emergency meeting this evening and we have decided to postpone the 2020 Area Spring Assembly and cancel the 2020 Area 85 Round-up. As you all know the world is in a situation of desperate measures due to the Covid-19 virus and we felt we also needed to do our part. Also my home group Friendly AA Grp are suspending our regular meetings for 2 weeks as per the Churches directions at which time we'll have another look. The Area 85 Executive will continue to hold our monthly meetings and we'll do our best to keep you all informed.

Also if you have any changes in your towns or District, could you inform the Area Website of any Groups closing for the time being by sending an email to area85website@gmail.com

Thank you,

Your Area 85 Chairman, Panel 67
