Good evening Area 85 Executive,

My Role as Alternate Delegate has exploded in such a good way since my last report. As I am getting to learn my new role it is hitting me very hard just how much of an honor and privilege it is to represent area 85. I thank you from the bottom of my heart for the opportunity.

Joel and I attended CERAASA this past weekend and it was such a great experience. I met so many new people. Everyone was very helpful and made me feel welcome just as AA can. There were meetings, workshops, business meetings and speakers. Joel did two presentations and did a wonderful job. For this being his first year he sure made it seem like it was his second.

One of the functions of CERAASA is to prepare Delegates for NY and once sitting through the presentations I see now just how involved the delegate position is. This I am for ever grateful to have the honor to serve as alternate delegate and fully learn the role in case I ever get called upon to serve as delegate.

I was asked to do a presentation the topic Living the Principles accepting our Differences. Although I used to decline speaking in public, AA has given me the courage to overcome that fear and standing there in front of 150 plus people my presentation, I was told went well.

I will be attending the NORTH AMERICAN ALTERNATE DELGATES (NAAD) meeting on March 1.

Have a great evening!

Gratefully yours,

Luca L.

Alternate Delegate, Area 85
